

UMFK Amount Owed/Refund Worksheet

Tuition and Fees (and Room and Meal Plan if living on campus) are charged per Semester. (That is, in July for the September to December - Fall Semester and in December for the January to May - Spring Semester.) Financial Aid is disbursed half each semester. If you look at your Financial Aid Award Notice in MaineStreet you will see the semester breakdown.

In order to estimate how much you will owe for the semester after financial aid and/or to estimate your refund check for the semester, please complete this form. Information on charges is available on your UMFK Invoice and from MaineStreet. Information on financial aid is available on your UMFK Award Notice and from MaineStreet.

If you have not yet registered for classes, see over to estimate your tuition and fee costs. **(Please note these are Semester amounts; you can double them to estimate full year costs)**

Please remember that this is an estimate. Any changes to your course registration and/or your living arrangements, or financial aid eligibility may alter this estimate.
