

# STUDENT WEB/FTP SERVER CONTRACT

The following guidelines have been established for student web pages.

- 1 - Commercial Home Pages will not be permitted.**
- 2 - Pages containing pornography or profanity will not be permitted.**
- 3 - Violations of copyright law will not be permitted.**
- 4 - Your current email address must be kept on file with the UMFK Webmaster.**

The following guidelines have been established for FTP accounts on the Student Web/FTP Server:

- 1 - It is the students responsibility to keep a back up of any files they have placed on the Student Web/FTP Server.**
- 2 - An account on the Student Web/FTP Server is a privilege NOT a right. Any action taken by a student that results in a security violation or damage to the server will result in the immediate deletion of the account and possible disciplinary action.**
- 3 - Web pages will remain on the server for two semesters. After two semesters all files will be deleted, unless the student has contacted the Web Administrator requesting permission to extend this time. (Ex. Fall accounts will be deleted at the end of the Spring semester. Spring and Summer accounts will be deleted at the end of the Fall semester.)**

When you have signed and returned this contract to the UMFK Webmaster, you will be given a directory and a ftp account

I have read and agree to the guidelines established. I understand that if at any time I violate one of the guidelines my files will be removed from the server permanently.
