

University of Maine at Fort Kent Presidential Search Committee

Community Update from the Chair (Update no.3)

December 2019

---

Dear members of the University of Maine at Fort Kent community,

I am writing to share a brief update on the search for the campus's next president. The search committee is hard at work and the search is going well. I would like to remind you that this phase of the search is not a public process and committee members are not able to comment on the search. We will communicate updates in the coming weeks and months.

Please know there will be robust opportunities to meet candidates later in the process and share your perspectives of the candidates with the search committee. In the meantime, we thank you for your interest. Happy holidays to all.

Sincerely,

A handwritten signature in black ink that reads "Kelly". The letters are cursive and fluid.

Kelly Martin, Trustee  
Chair, UMFK Presidential Search Committee
